Within a span of three years Abha Gaikwad-Patil College of Engineering is proud to provide every facility required for ensuring a healthy educational environment. We have ultra-modern laboratories with wi-fi connection throughout the campus, ventilated classrooms, each having audio-visual aids. Seminar hall with well-equipped infrastructure. Gymnasium for students and staff. A healthy and hygienic cafeteria catering to students, staff and guests. For intellectual food, the college houses a spacious library accommodating more than 12000 books under various technical and non-technical heads. Apart from personal cabins provided to most teaching staff, regular meetings are conducted at specially designed conference hall. Electricity backup is taken care of by generators efficient to undertake supply load.
