‘Workshop of Research Methodology & How to Write Research Paper’

- One day workshop on “Research Methodology & How to write a Research Paper?” is proposed to bring practicing engineers, researchers and academicians to have exposure to latest trends in research.
- Abha Gaikwad Patil College of engineering aims to be the legendary education organization, self sustaining, independent and capable of producing not only graduates but research scholar as well.
- This workshop was organised in Abha Gaikwad Patil College on 12th September 2015. The expert for the workshop Prof. Sudhir N. Shelke. He has more than 15 year experience in teaching, research and development with leading practice in VHDL tools, Verilog and ASIC implementation.
- He is well known person in Image Processing, Signal Processing and Low Power Design Techniques in VLSI.
- The workshop will provide an excellent opportunity for acquiring information and technology, sharing of experience and exchange of view relation with research methodology.
- More than 100 participants participate in the workshop mostly PG students of various disciplines participated in the workshop and were benefited from it.
- This workshop turned to be of great help to all participants for their selection of topic in the final year project.
